OCTOBER 1-5, 2026

WITH PRINCIPLE APPROACH© MASTER TEACHER LAURA CARUSO

"No king but King Jesus!" - What would make **this** the rallying cry of the Massachusetts patriots?!

We'll trace the foundations of biblical liberty backwards through the Great Awakening. . . through earlier amazing acts of God to preserve the people of New England. . . all the way back to the covenantal ideas brought to Massachusetts shores by the Pilgrims and Puritans. Let's walk in their footsteps, rediscover the biblical principles that inspired them & celebrate the hand of God in "His-Story!"
